LOK SABHA

UNSTARRED QUESTION NO:1866
ANSWERED ON:30.11.2000
GROUND SENSORS FOR DETECTION OF INFILTRATION
BASUDEB ACHARIA

Will the Minister of DEFENCE be pleased to state:

(a) whether the Line of Control is covered by ground sensors for detection of infiltration by alien elements;

(b) if so, whether there is any perceptible difference in the defence effort thereafter;

(c) whether any further improvement in the system is proposed to be carried out; and

(d) if so, the details thereof?

Answer

MINISTER OF DEFENCE (SHRI GEORGE FERNANDES)

(a) Appropriate steps including installation of electronic devices to detect and control infiltration on the Line of Control continue to be taken.

(b) Yes, Sir.

(c) & (d): Efforts continue to augment the existing resources.
